

BROWNS STOCK FEED

PTY. LTD.

BRONZE PELLET

Browns Bronze Dairy Pellet is a milker ration containing 12% Crude Protein and 13 MJ Metabolisable Energy. This ration is suitable to feed 3-6kg/head/day when energy is limiting milk production. This pellet is a complete feed containing an ideal blend of energy and protein contributing feed sources and adequately blended with rumen buffers, macro & trace minerals, lime, salt and vitamins.

Browns Bronze Dairy Pellet contains Acid Buf™ which helps to stabilise the rumen pH aiding in the prevention of rumen acidosis. Extra additives and medications can be added on your request) eg; Rumensin, Eskalin.)

Always Ensure:

- Fresh and clean water at all times
- Wet pellets removed and discarded

Ingredients From:

Wheat, Barley, Canola Meal, Canola Seed, Maize/Corn, Milled Almond Hulls, Lupins, Limestone, Salt, Acid Buf™, Magnesium, Vitamin & Mineral Premix, Bovatec®,
