

# BROWNS STOCK FEED

PTY. LTD.

## CALF STARTER MIX

**Browns Calf Starter Mix** has been developed to maximise early growth potential and enhance animal performance through-out their lives. Best fed with 3.5 – 5 litres of milk (whole or powdered), ensuring adequate colostrum in first 24 – 36 hours of life.

Always ensure calves have a clean, dry and draft free environment, cool clean water and a source of fibre, this will see your young stock off to a great start.

### Ingredients From:

Wheat, Barley, Lupins, Peas, Maize, Canola Meal, Vitamin & Mineral Premix, Calciprill, Bovatec®, & Canola Oil.
