

CALF STARTER MIX

Browns Calf Starter Mix has been developed to maximise early growth potential and enhance animal performance through-out their lives. Best fed with 3.5 - 5 litres of milk (whole or powdered), ensuring adequate colostrum in first 24 - 36 hours of life.

Always ensure calves have a clean, dry and draft free environment, cool clean water and a source of fibre, this will see your young stock off to a great start.

Ingredients From:

Wheat, Barley, Lupins, Peas, Soybean Meal, Canola Meal, Acid Buf™, Vitamin& Mineral Premix, Calciprill, Bovatec®, Flavour, Canola Oil, Molafos Gold.
